

HOW TO FIND US & WHERE TO PARK

From the A18, turn into Humberside Airport to the small roundabout. Take the second turning (ie go straight over), go past Soloflight and take the next turning on the right (after the Blue Porta-cabins). Our parking is signposted and is against the fence on the left passed the Avis Car garage. **PLEASE DO NOT UNDER ANY CIRCUMSTANCES BLOCK THE GATEWAY OR CONCRET ACCESS** and only park in the designated signed area.

Once parked, walk back to the main road and cross diagonally making your way the Airport Security Gate House "C". You will find our entrance on the left just before the main gates to the airside, after the large Green Hangar.

Alternatively call our office on **07985-753336** and we will come and get you.
